FOR IMMEDIATE RELEASE

Special Adoption Fees on Felines

Although we are not yet in the rainy season, here in Florida it is already raining cats and kittens at Suncoast Humane Society. Over 60 felines are featured at the animal care center's open cattery, with approximately 30 more in the Society's foster homes, and sadly 50 more are waiting for that chance to be placed for adoption.

In an attempt to help find homes for these pets, the society is lowering the adoption fees for cats and kittens. The adoption fee, normally \$75, will be reduced to \$35 during this period. In addition, families wishing to adopt two felines will be required to pay just one adoption fee.

Phil Snyder, Executive Director, states, "We know these are tough economic times. Sadly it has not slowed down the indiscriminate breeding of cats and dogs. Hopefully lowering the adoption fee on felines will help to place these pets into permanent loving homes. We do want people to realize that there are many other financial obligations to pet ownership, including food and veterinary care."

All pets adopted from Suncoast Humane Society have been evaluated for health, temperament, spayed or neutered, microchipped for identification, and are up to date on vaccinations.

Suncoast Humane Society is open for visiting and pet adoptions Tuesday thru Saturday. Visiting and Adoption hours are 11:00 AM – 5:00 PM, except Saturday which is 10:00 – 4:00 PM. Adoptions end 30 minutes prior to closing. The Society offers low-cost spay or neuter for pets of qualifying families along with affordable Preventive Health Care Services.
