SHELTER ANGEL MEDICAL FUND

Our Shelter Angel Medical Fund is used to provide special medical needs for pets that otherwise would not have a chance for adoption. It is a great opportunity to help a pet find that special loving home.

The fund is used to help cover the medical costs associated with an animal's treatment and care. Your gift may be put towards emergency or critical care, heartworm treatment, spay/neuter, or other expenses needed to assure a pet's health and adoptability.

By becoming a Shelter Angel, you will receive a Certificate of Appreciation for helping to assure the medical needs of a pet(s) are being met.

Suncoast Humane Society staff will determine which animals will benefit most from the Shelter Angel Medical Fund. Pets selected must be deemed adoptable by our medical staff.
